## SECTION 2.8: STUDENT ASSESSMENT (FA) RECORD

### ☀ **Score Not Reported**

Record Field Number	FA235
Definition	Identifies the reason why the student did not take the required assessment and/or does not have a score to report.

**Valid Options**

L Student has a disability condition for which no vendor accommodation exists

**Reporting Instructions.**

[Option L. Use this code if a student’s IEP requires an accommodation that is not available for the assessment being reported and the student therefore did not take the assessment. For the OELPA and Alt-OELPA, this option is used to report the exempted domain\(s\) of either test. Districts may exempt students from no more than three of the four domain tests on the OELPA and Alt-OELPA \(listening, reading, writing, and speaking\) if the student’s disability is such that the student cannot participate in the stated domain test per the IEP or 504 plan with existing accommodations.](#)
